PROFILE SUMMARY

Frontend Developer with hands-on experience building 5+ responsive, API-integrated web applications using HTML, CSS, and JavaScript (ES6). Comfortable working independently and remotely, with proven ability to ship functional projects end-to-end — from UI to live API integration. Seeking an entry-level or internship Frontend role to apply these skills in a professional team environment, available to start immediately.

TECHNICAL SKILLS

- **Languages & Markup:** HTML5 • CSS3 • JavaScript (ES6)
- **Tools & Practices:** Git & GitHub • REST API Integration • Responsive Web Design
- **Currently Learning:** React.js

PROJECTS

Movie Search App (HTML, CSS, JavaScript, TMDB REST API)

- Built a real-time movie discovery tool that returns search results in under **[1.5] seconds**, by integrating the TMDB REST API with debounced input handling and asynchronous JavaScript (fetch/async-await).

Weather App (HTML, CSS, JavaScript, OpenWeather API)

- Delivered live weather data for **any city worldwide**, measured by **100% successful API responsive handling including error states**, by building a fault-tolerant fetch layer with conditional rendering for invalid city inputs.

Portfolio Website (HTML, CSS, JavaScript)

- Achieve a fully responsive, cross-device personal site scoring **[90+] on Lighthouse performance**, by hand coding a mobile-first CSS layout with semantic HTML5 and no framework overhead.

To-Do App (HTML, CSS, JavaScript)

- Enabled persistent task management across sessions, measured by **zero data loss on page refresh**, by implementing DOM-based state handling with localStorage persistence.
- **Tip Calculator (HTML, CSS, JavaScript)**
- Built an interactive tip calculator that instantly computes per-person bill splits, reducing manual calculation to a **single input**, by implementing real-time DOM updates with vanilla JavaScript event listeners.

EDUCATION

BS Computer Science — Islamia University Bahawalpur | 2022–2026 | CGPA: 3.3

ADP (2-Year) Computer Science — Islamia University Bahawalpur | 2020–2021

Intermediate (ICS) — BISE Bahawalpur | 2017–2019

ADDITIONAL EXPERIENCE

Freelance Digital Marketing & Content Creation

Remote | Self-Employed | 2021 – Present

- Grew and managed social pages on Facebook, increasing audience engagement, through consistent content scheduling and AI-assisted copywriting.
- Maintained **100% client retention** across all active accounts, by independently managing end-to-end communication, deliverables, and revisions in a fully remote, self-directed capacity.
